

You are cordially invited to

# “Let’s Talk Better Schools”

From class size, to workplace violence, to support for students with special needs and other issues, it’s important to come together to discuss how our public schools can better serve our children, families and communities.

We hope you will join parents, school and parent council members, community groups and others to share ideas on how to build better schools.

## **Community Town Hall on Building Better Schools**

**Monday, May 29<sup>th</sup>, 2017**

6:30 – 8:30 pm
